# WHERE INNOVATION MEETS PRECISION.

Interactive, kinetic and AI experiences for live events: the ideas that make a room stop, and the engineering that makes them work every time.

IN NUMBERS

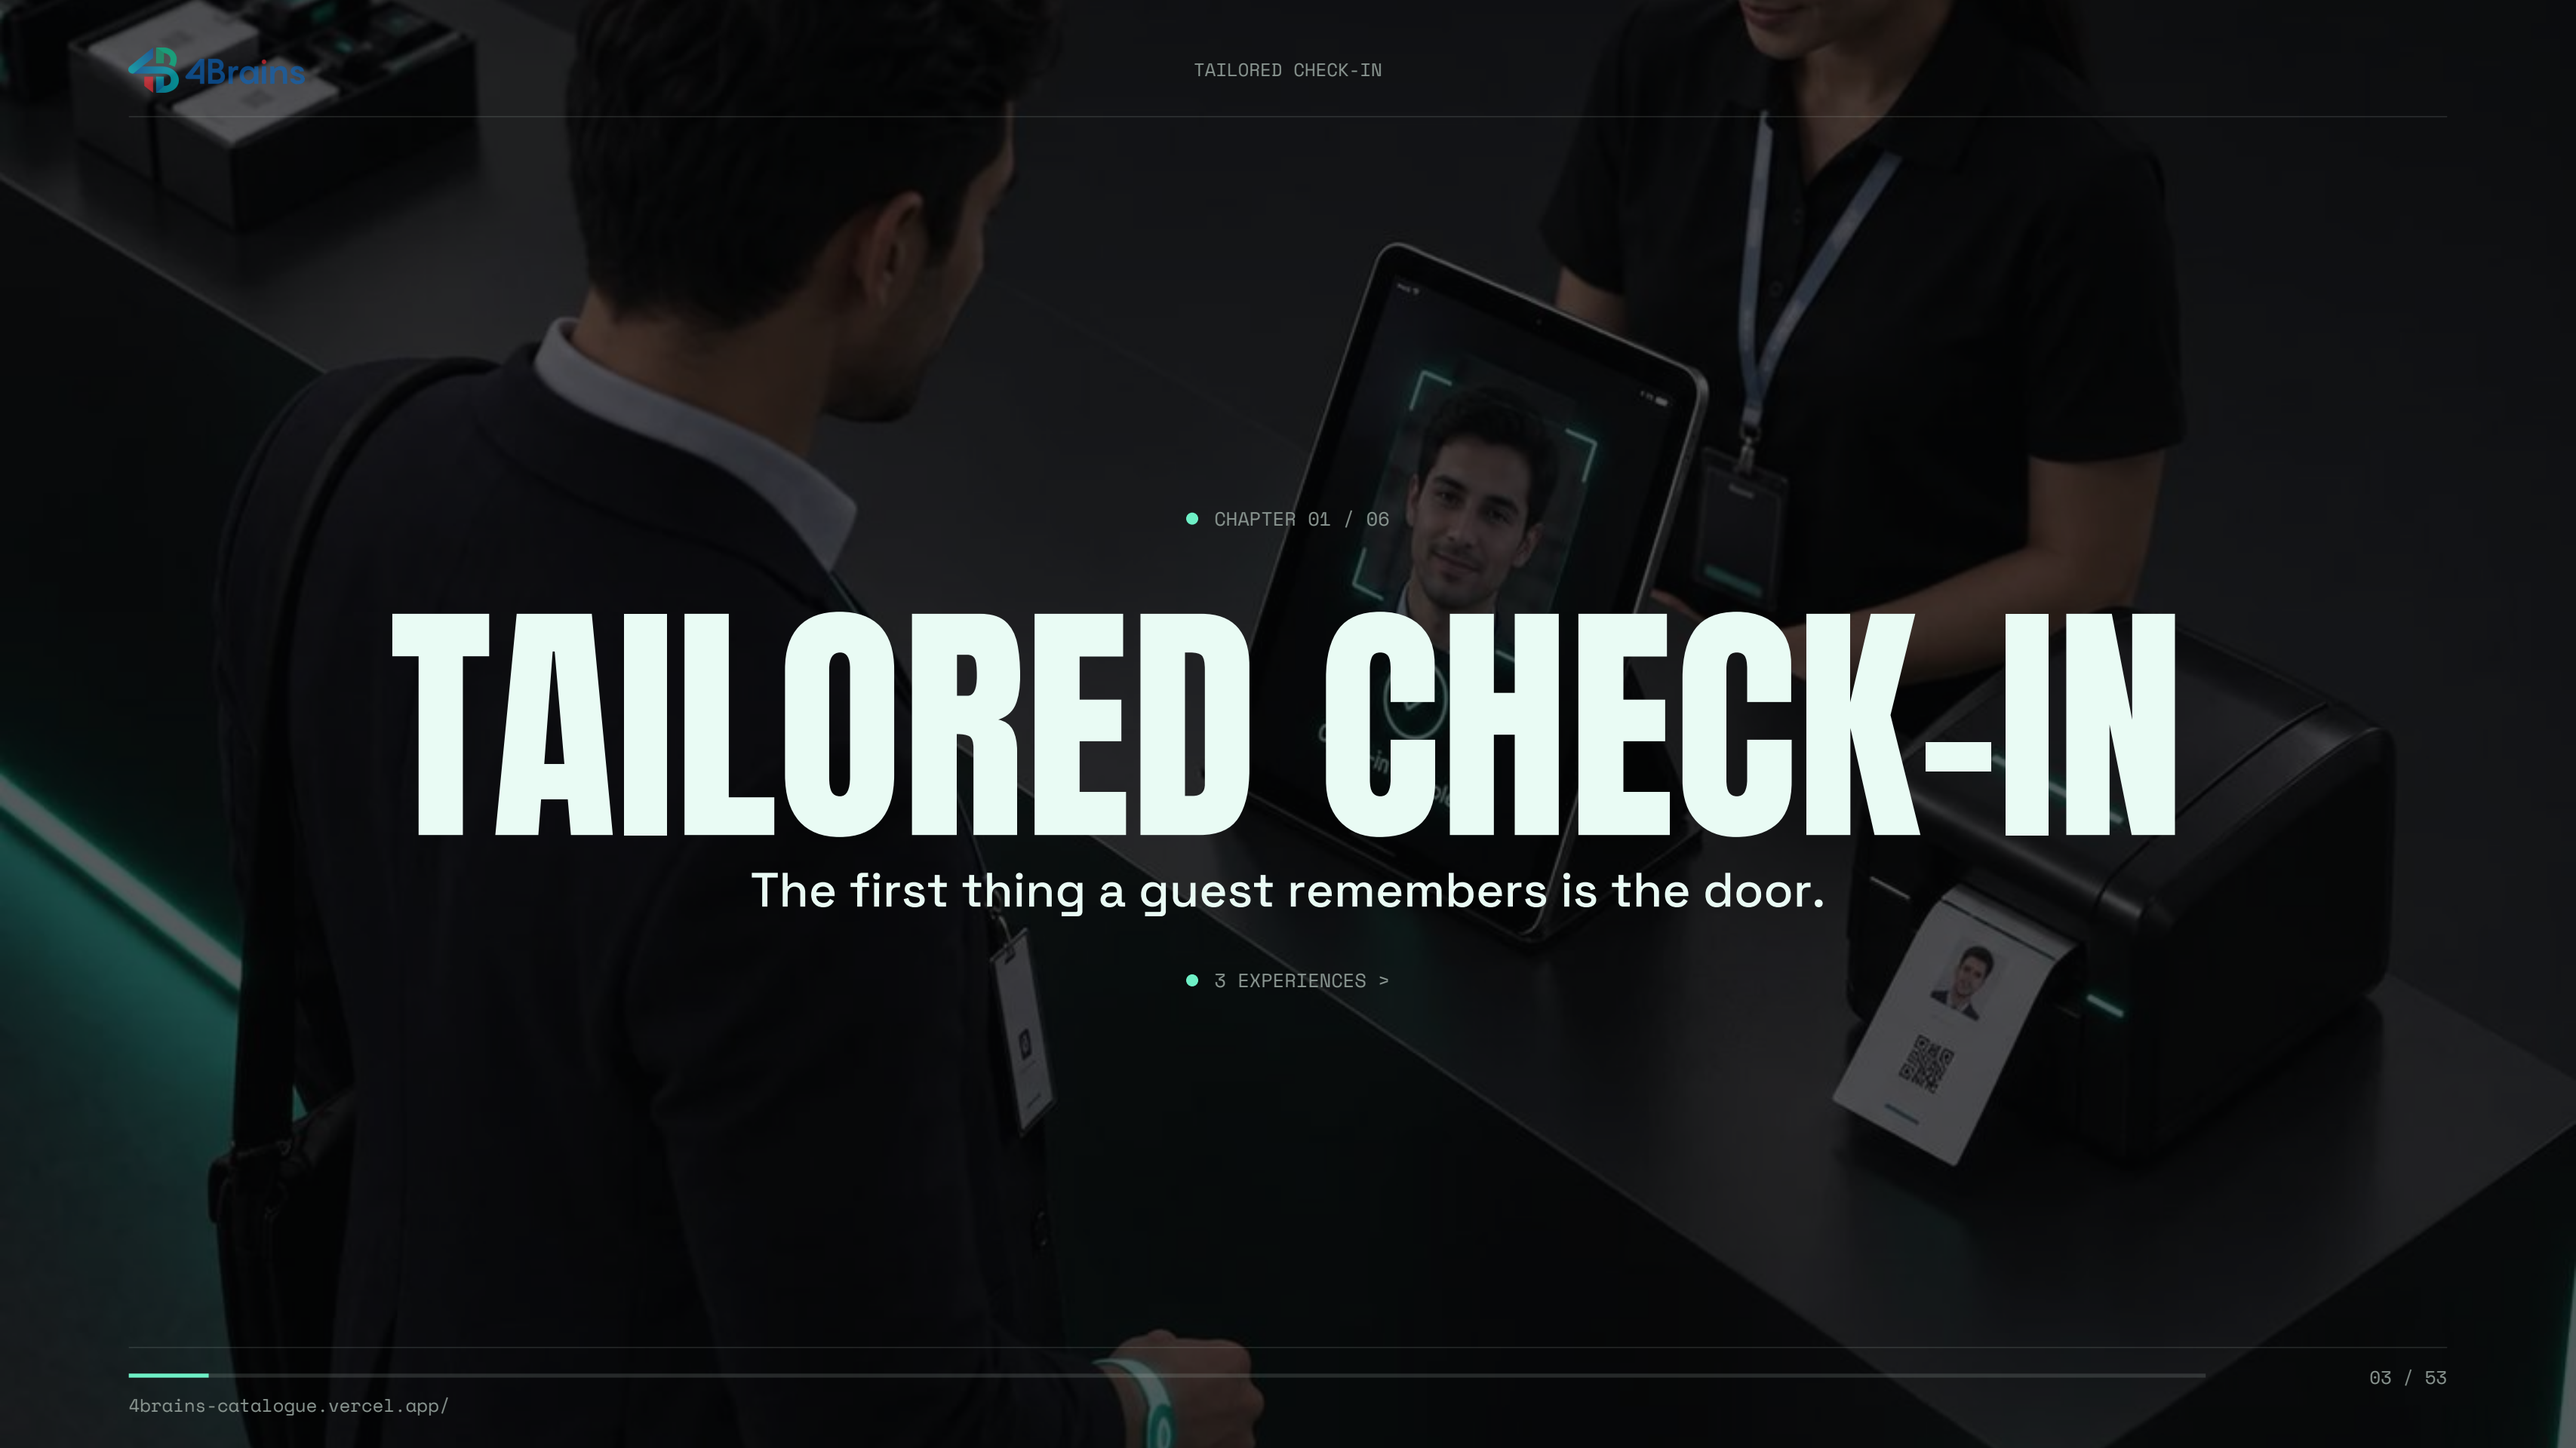

**1,100+**
Events & installations

**200+**
Clients & brand partners

**24+**
Cities across India

**3**
Offices: Mumbai, Bengaluru, Noida

A brand gets seen at every event. Once in a while, it gets remembered.

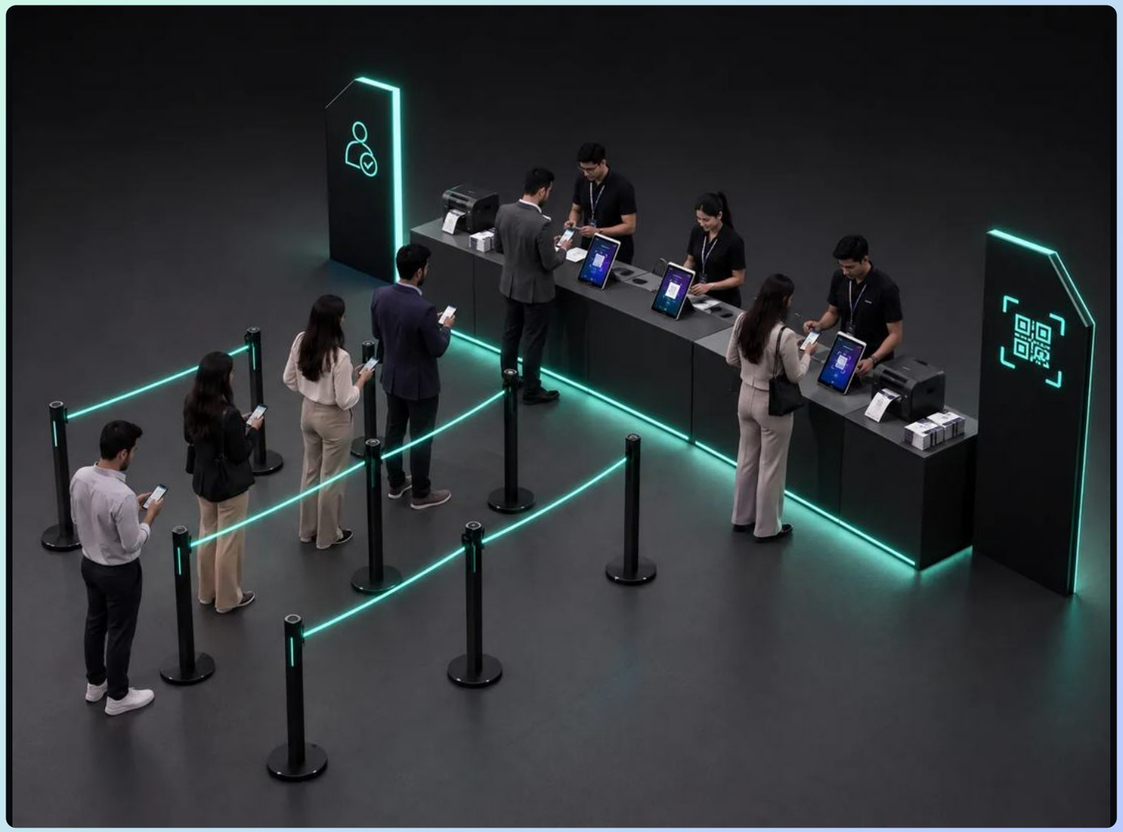

CHAPTER 01 / 06

# TAILORED CHECK-IN

The first thing a guest remembers is the door.

3 EXPERIENCES >

QR Registrations

TAILORED CHECK-IN · 01 / 03

# QR REGISTRATIONS

## Scan in. The event knows you.

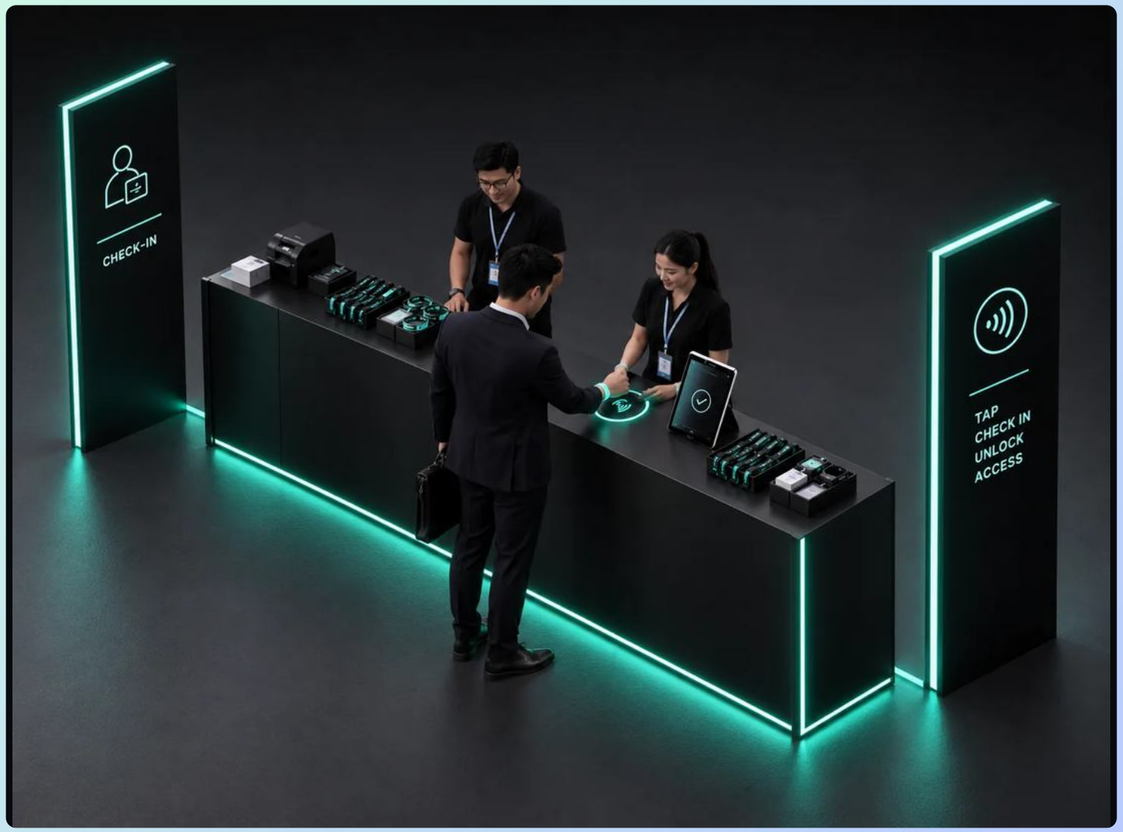

QR registration and check-in; badges print, and every activity on the floor scans the same code.

01 Ran as the QR-smart registration at the PepsiCo dealer meet

02 Badge printing, sessions, zones and VIP lists

Conferences · Dealer meets · Launches · Expos

WATCH VIDEO >

RFID Registrations

TAILORED CHECK-IN · 02 / 03

# RFID REGISTRATIONS

## Tap a wristband. Unlock everything.

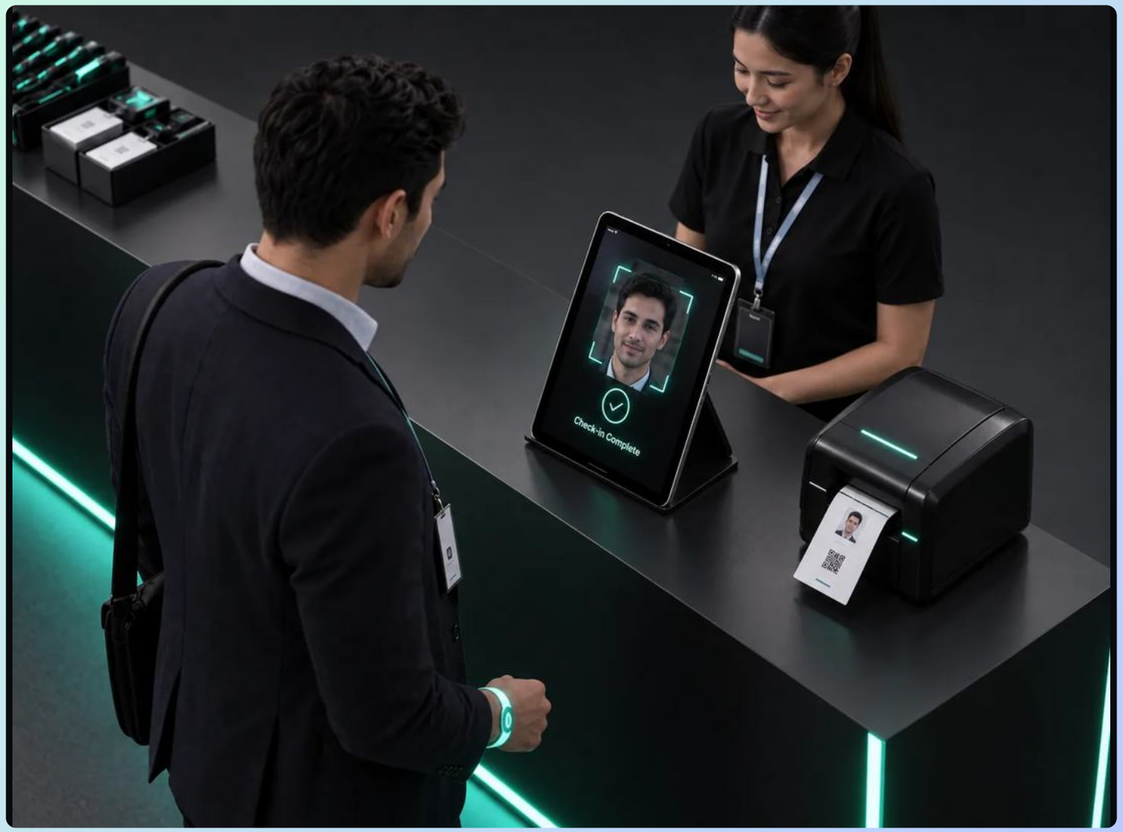

RFID badges or wristbands for check-in, access, session tracking and tap-to-play.

01 Access rules, zones and session limits

02 Cashless or tap-to-play if you want it

Conferences · Festivals · Expos · Dealer meets

WATCH VIDEO >

Face Recognition

TAILORED CHECK-IN · 03 / 03

# FACE RECOGNITION

## Walk in. You’re already checked in.

Opt-in facial recognition check-in; a glance prints the badge and puts the guest’s name on the welcome screen.

01 Opt-in at registration

02 Badge prints as they walk in

Conferences · Corporate events · VIP & hospitality

WATCH VIDEO >

CHAPTER 02 / 06

# LIVING ENVIRONMENTS

Rooms that answer back.

8 EXPERIENCES >

Interactive Tunnel

LIVING ENVIRONMENTS · 01 / 08

# INTERACTIVE TUNNEL

## The entrance that follows you in.

A walk-through passage lined with LED and sensors; the light moves with each person as they pass.

01 No queue: it works at walking pace

02 Messages and colours in your brand

Event entrances · Exhibitions · Malls & retail · Brand zones

WATCH VIDEO >

Interactive Wall

LIVING ENVIRONMENTS · 02 / 08

# INTERACTIVE WALL

## A wall people stop to touch.

A large screen wall with touch or gesture control; guests explore products, play or trigger content by hand.

01 Touch, gesture or both

02 Multi-user for a busy floor

03 Interactions logged

Exhibitions · Experience centres · Conferences · Retail

WATCH VIDEO >

Sliding Rotoscope

LIVING ENVIRONMENTS · 03 / 08

# SLIDING ROTOSCOPE

## Slide the screen. See inside.

A screen rides a rail in front of the product and shows what is beneath, wherever it points.

01 Content for every position on the rail

02 Works with cars, machines, models or prints

Automotive showcases · Product launches · Exhibitions · Experience centres

WATCH VIDEO >

Polarized Screen

LIVING ENVIRONMENTS · 04 / 08

# POLARIZED SCREEN

## Only the glasses can see it.

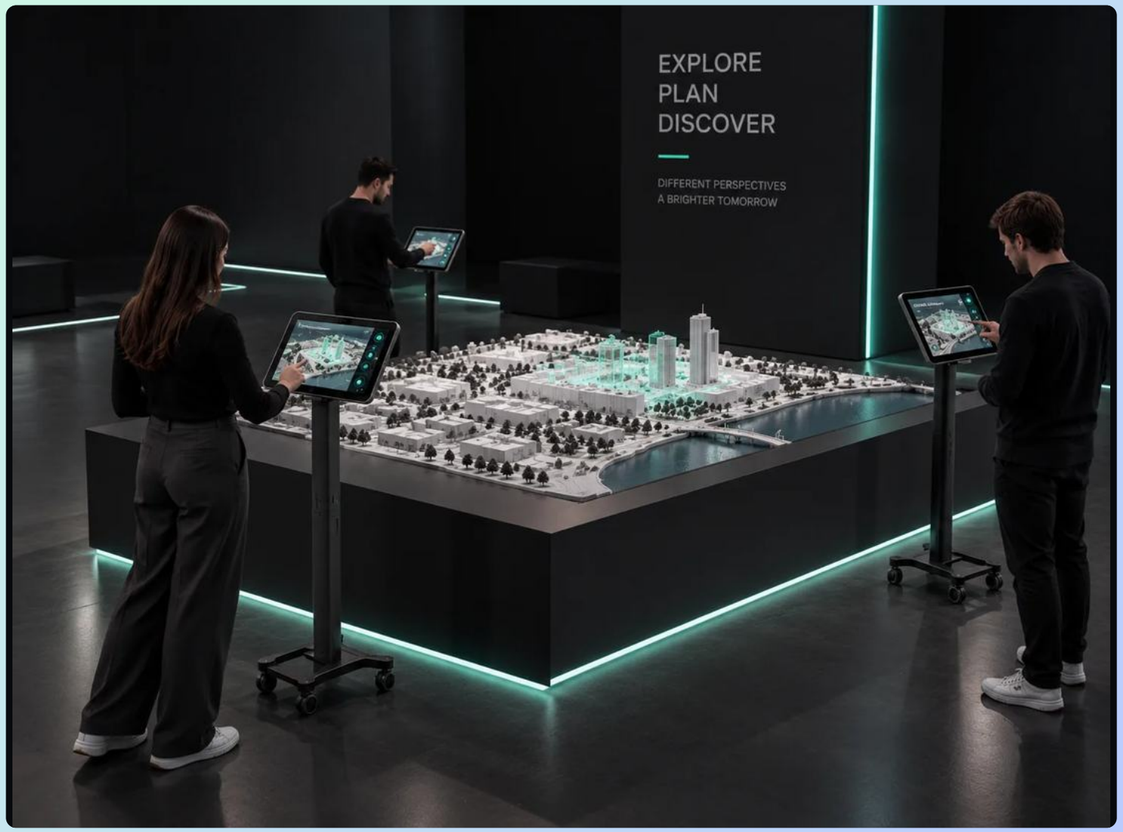

A screen that looks blank, or shows one image, until a polarised panel or a pair of glasses reveals the content beneath.

01 Two layers of content: what everyone sees, what the frame reveals

02 Branded glasses as the giveaway

Exhibitions · Retail windows · Brand zones · Launches

WATCH VIDEO >

AR Table

LIVING ENVIRONMENTS · 05 / 08

# AR TABLE

## See the city before it is built.

A scale model under tablets; point at any part and the layers appear: data, animation, the finished state.

01 Ten interactive 3D miniatures built for Cochin International Airport

02 Phases, routes, floor plans and variants as layers

Infrastructure & real-estate showcases · Exhibitions · Dealer meets · Experience centres

WATCH VIDEO >

Holobox

LIVING ENVIRONMENTS · 06 / 08

# HOLOBOX

## Your product, floating.

A transparent holographic case; the product, or a 3D model of it, appears to float inside with synced lighting and live content.

01 Countertop to walk-around sizes

02 Physical product or 3D model

03 Touch or gesture control

Product reveals · Brand showcases · Retail · Exhibitions

WATCH VIDEO >

Interactive Telescope

LIVING ENVIRONMENTS · 07 / 08

# INTERACTIVE TELESCOPE

## Look through. See what is planned.

A telescope-style viewer; whatever it points at, the screen inside tells its story: the plan, the past, the future.

01 Content for every direction

02 Renders, history or product detail

Exhibitions · Museums & experience centres · Malls · Real-estate & tourism showcases

WATCH VIDEO >

360° Dome

LIVING ENVIRONMENTS · 08 / 08

# 360° DOME

## Step inside the picture.

A dome with 360° projection; a film, a walkthrough or a game surrounds a whole group at once.

01 Seated or standing groups

02 Film, walkthrough or game

Exhibitions · Launches · Festivals · Education & public spaces

WATCH VIDEO >

CHAPTER 03 / 06

# SMART GAMIFICATIONS

Nobody queues for a brochure.

18 EXPERIENCES >

F1 Simulator

SMART GAMIFICATIONS · 01 / 18

# F1 SIMULATOR

## Every lap has a name on it.

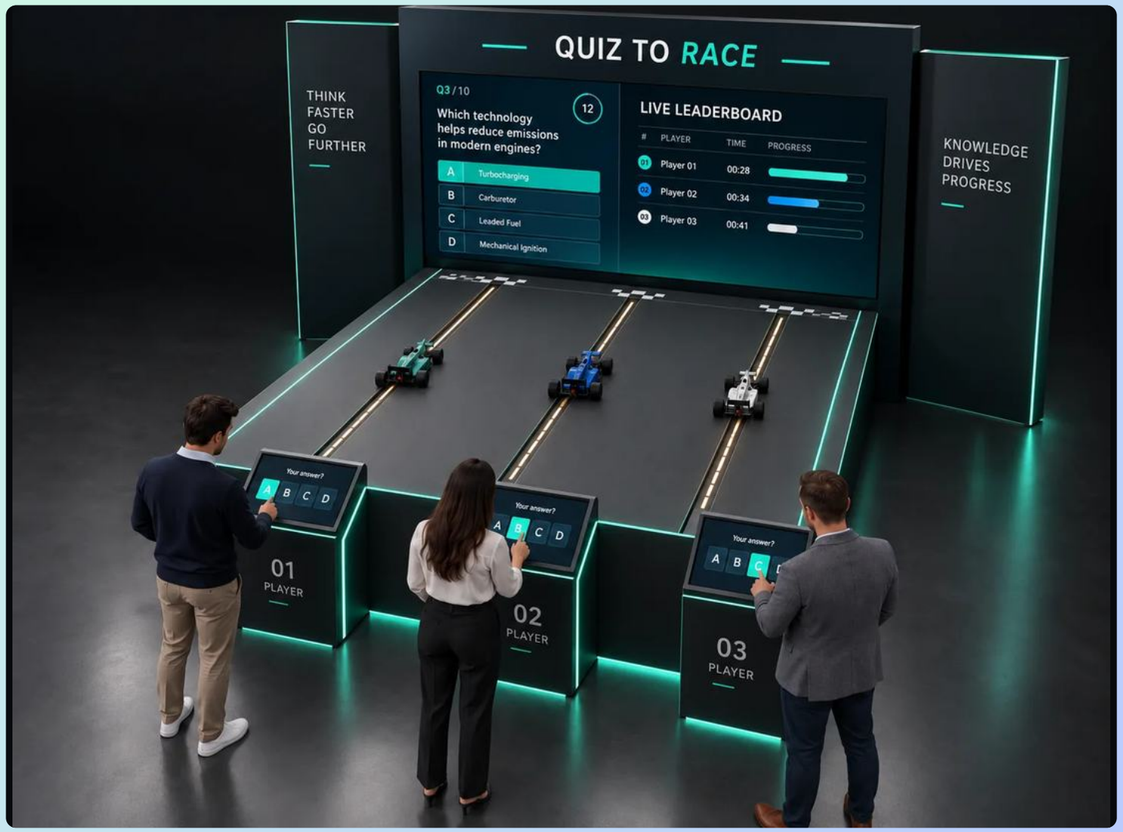

A racing simulator with a branded track and a live leaderboard; the fastest lap of the day wins.

01 A lead for every lap

02 Registration built in

Expos · Malls · Automotive & motorsport · Corporate fun zones

WATCH VIDEO >

Quiz to Race

SMART GAMIFICATIONS · 02 / 18

# QUIZ TO RACE

## Right answers move your car.

A multiplayer quiz on phones or kiosks; each correct answer moves your racer forward on the big screen.

01 Teams or individuals

02 Ran at the PepsiCo dealer meet as part of one event app

Conferences & dealer meets · Training events · Launches · Colleges

WATCH VIDEO >

Endless Runner

SMART GAMIFICATIONS · 03 / 18

# ENDLESS RUNNER

## Run through your brand’s world.

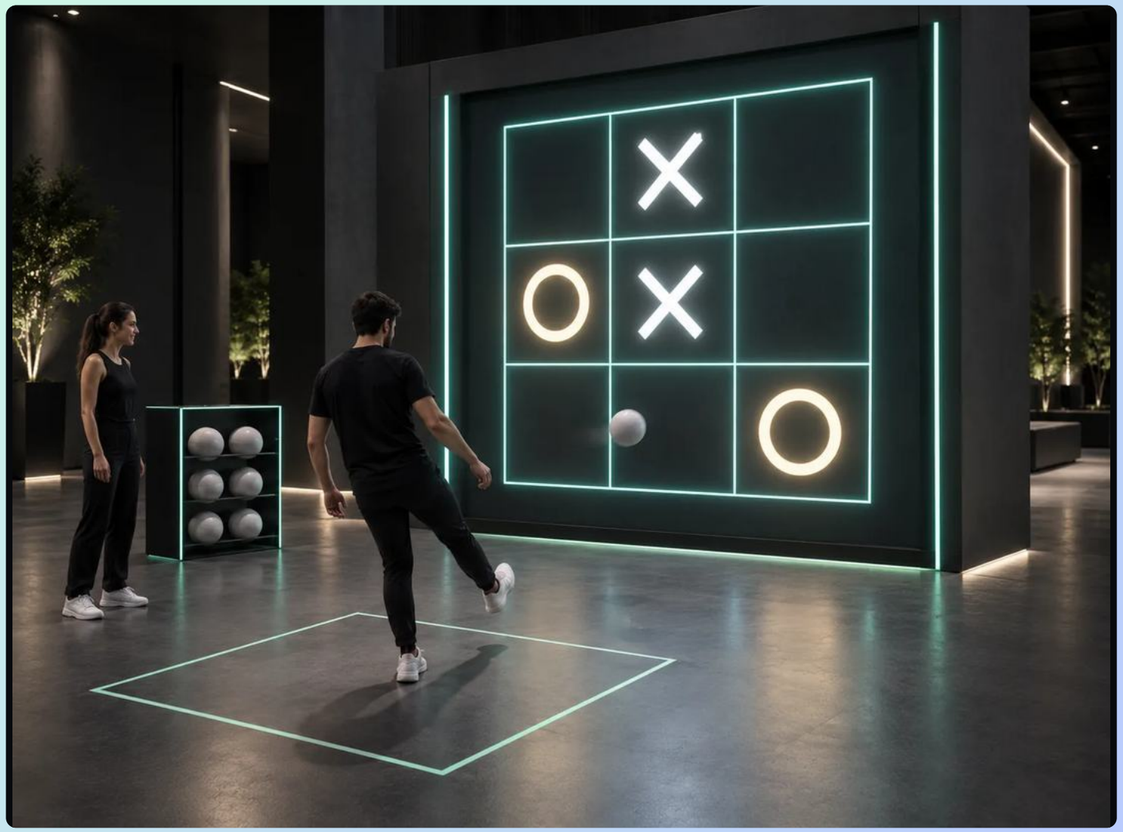

A branded runner game on a big screen, played by gesture or controller; collect the products, dodge the obstacles.

01 Gesture or controller

02 Leaderboard and prizes

Malls · Expos · Launches · Family events

WATCH VIDEO >

Tic Tac Toe

SMART GAMIFICATIONS · 04 / 18

# TIC TAC TOE

## The classic, wall-sized.

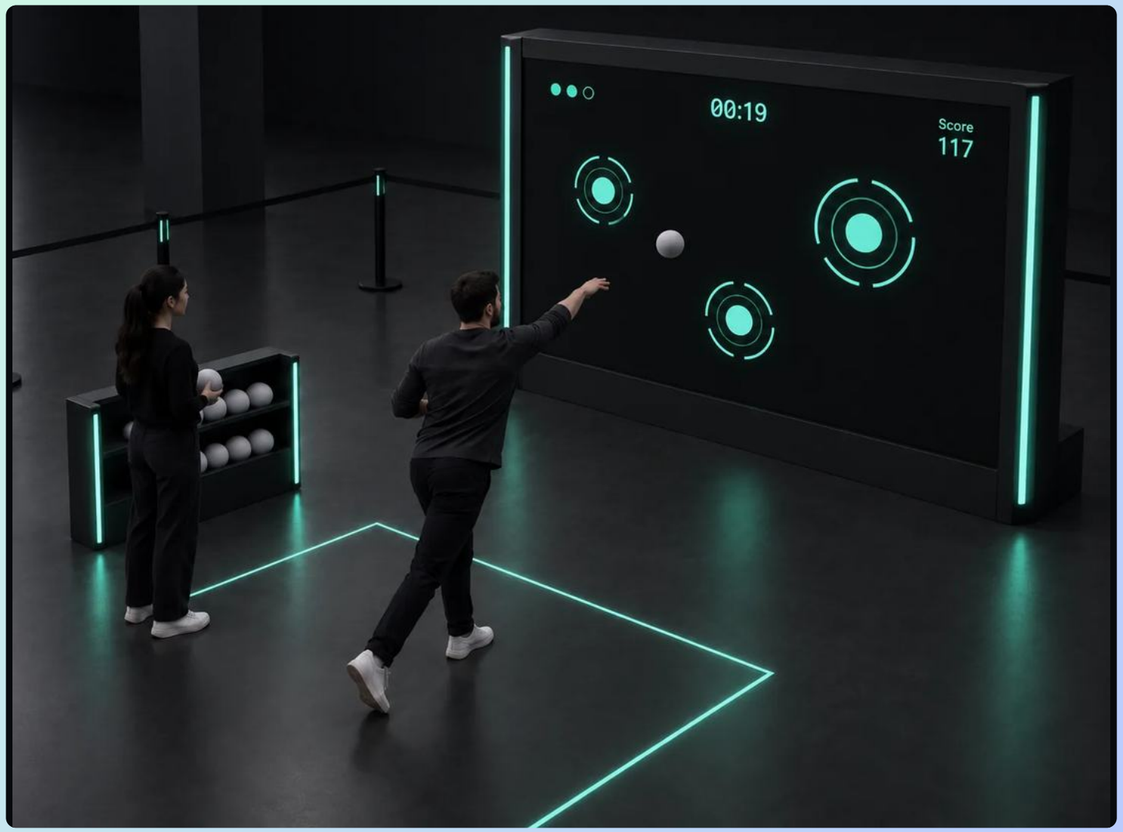

Giant tic-tac-toe on a wall or floor; tap, step or throw to play.

01 Wall, floor or LED

02 Your marks and colours

Malls · Family events · Expos · Fun zones

WATCH VIDEO >

Hit It!

SMART GAMIFICATIONS · 05 / 18

# HIT IT!

## Hit the targets. Beat the clock.

Targets light up on pads, walls or screens; guests hit as many as they can before the clock runs out.

01 Branded targets and sounds

02 Leaderboard and prizes

Sports & fitness · Malls · Expos · Corporate fun zones

WATCH VIDEO >

Digital Graffiti

SMART GAMIFICATIONS · 06 / 18

# DIGITAL GRAFFITI

## Spray a wall. Stain nothing.

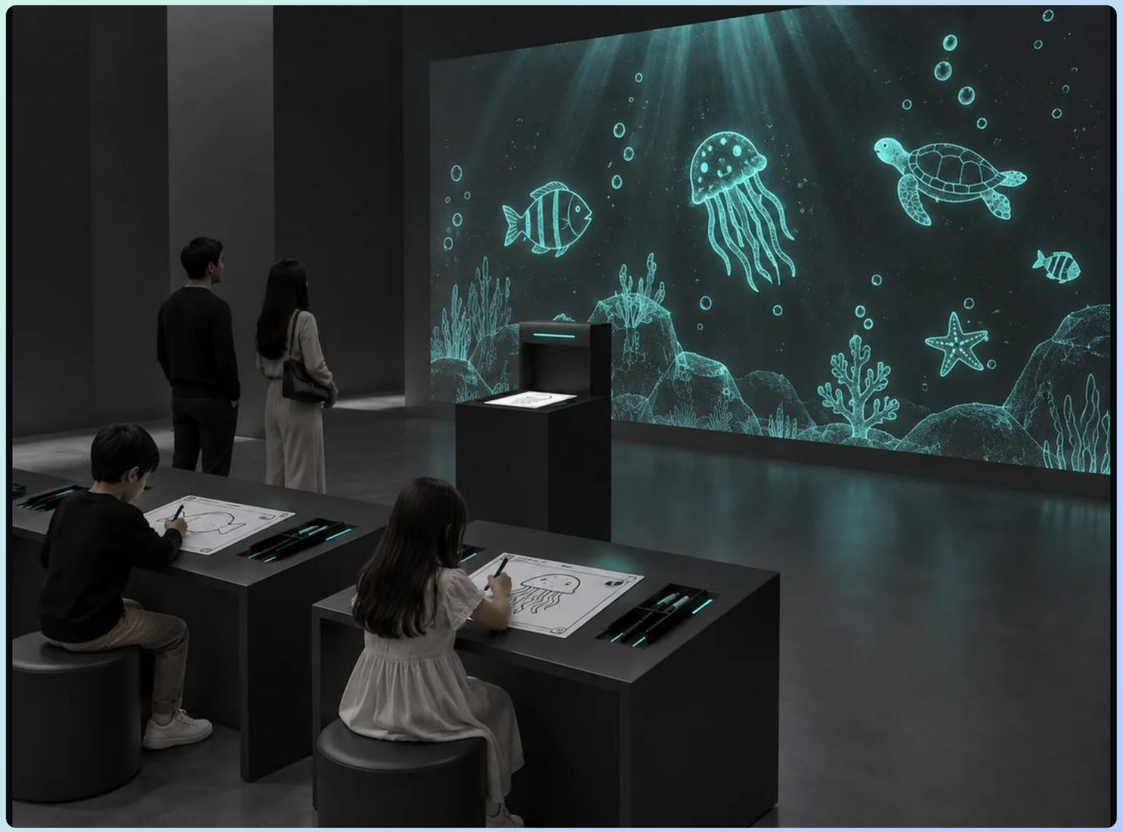

A digital spray can on a projected wall; strokes and drips feel real, and the piece can be saved, printed or shared.

01 Stencils and colour sets in your brand

02 Instant print or share

Youth & music events · Malls · Launches · Festivals

WATCH VIDEO >

Draw to Life

SMART GAMIFICATIONS · 07 / 18

# DRAW TO LIFE

## Draw it. Watch it move.

Guests draw on paper or a tablet; the drawing is scanned and appears, moving, in a projected world.

01 Any world: fish, cars, characters, your product

02 Prints of the finished drawing

Family events · Malls · Schools · Launches

WATCH VIDEO >

Quiz with Dispenser

SMART GAMIFICATIONS · 08 / 18

# QUIZ WITH DISPENSER

## Answer right. Win on the spot.

A quiz kiosk wired to a dispenser; a correct answer releases the sample or the reward.

01 Cans, packs, cards or prizes

02 Every dispense logged

Sampling campaigns · Malls · Expos · Launches

WATCH VIDEO >

AR Cricket

SMART GAMIFICATIONS · 09 / 18

# AR CRICKET

## Face the bowler on screen.

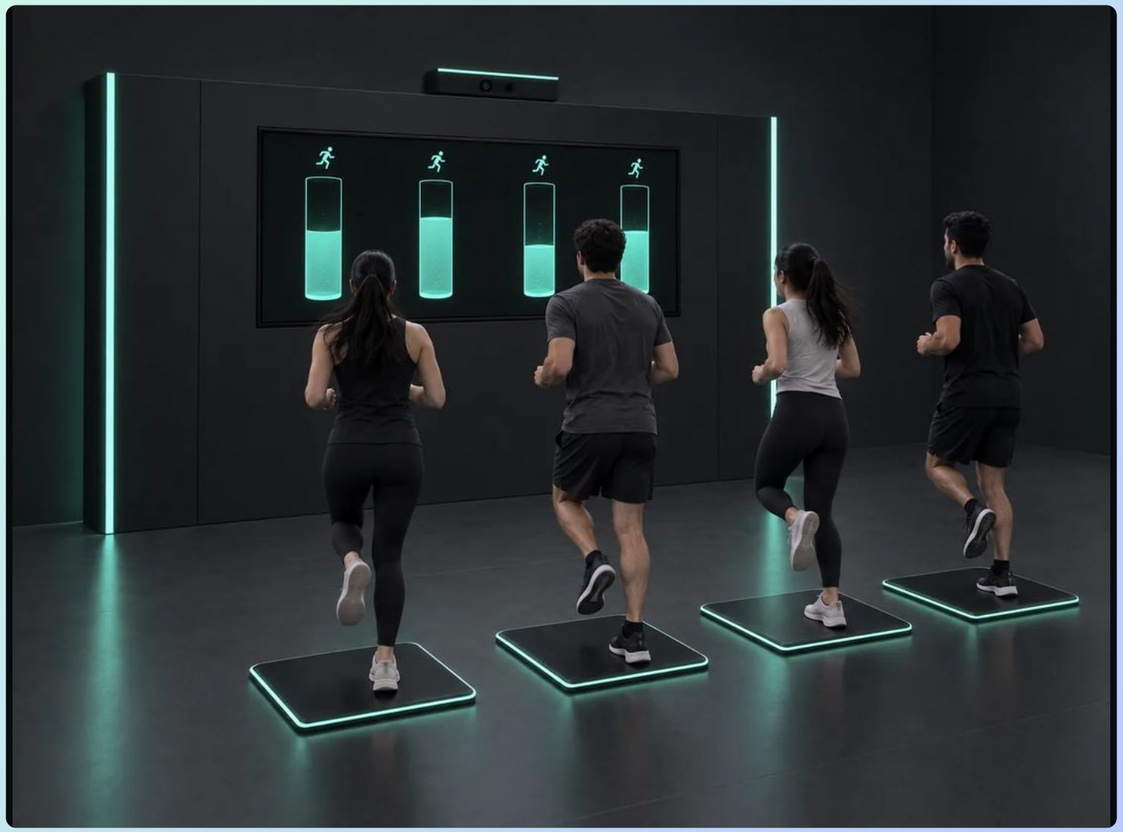

Motion-tracked cricket on a big screen; bat against a virtual bowler, runs scored live.

01 Ground, kit and bowler in your brand

02 Leaderboard and prizes

Sports & fan zones · Malls · Expos · Corporate fun zones

WATCH VIDEO >

Run to Fill

SMART GAMIFICATIONS · 10 / 18

# RUN TO FILL

## Run on the spot. Fill the bottle.

A motion-tracked sprint; effort fills a bottle, a glass or a tank on screen, and the fastest fill wins.

01 Your bottle, pack or tank

02 Several runners side by side

Fitness & sports · FMCG launches · Malls · Expos

WATCH VIDEO >

Pedal Activities

SMART GAMIFICATIONS · 11 / 18

# PEDAL ACTIVITIES

## Pedal power, made visible.

Bikes wired into the experience: pedal to charge, race, power a screen or blend a drink.

01 Charge, race, power or blend

02 Branding on bikes and screens

Sustainability & CSR events · Expos · Malls · Corporate wellness

WATCH VIDEO >

Motion-Based Games

SMART GAMIFICATIONS · 12 / 18

# MOTION-BASED GAMES

## Your body is the controller.

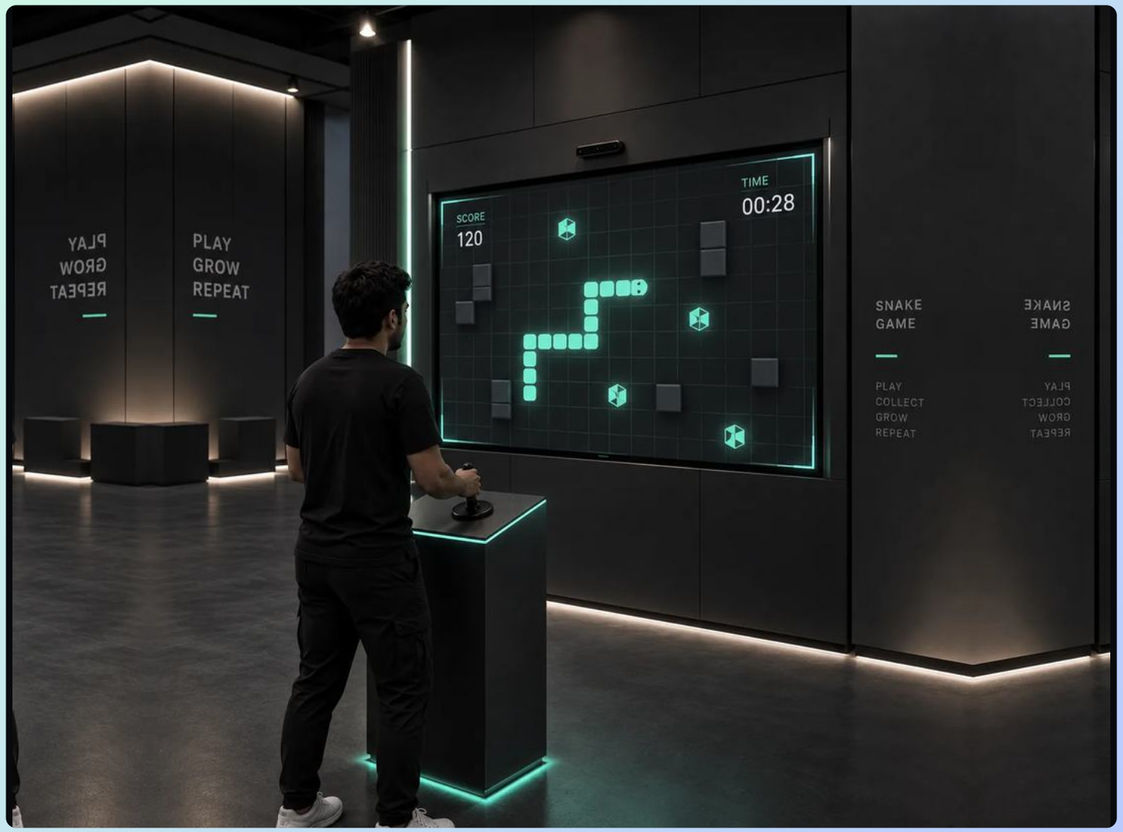

Camera-tracked games; move, jump and wave to play, nothing to hand out.

01 Single or multiplayer

02 Leaderboard

Malls · Expos · Family events · Fitness

WATCH VIDEO >

Snake Game

SMART GAMIFICATIONS · 13 / 18

# SNAKE GAME

## Snake, on a wall.

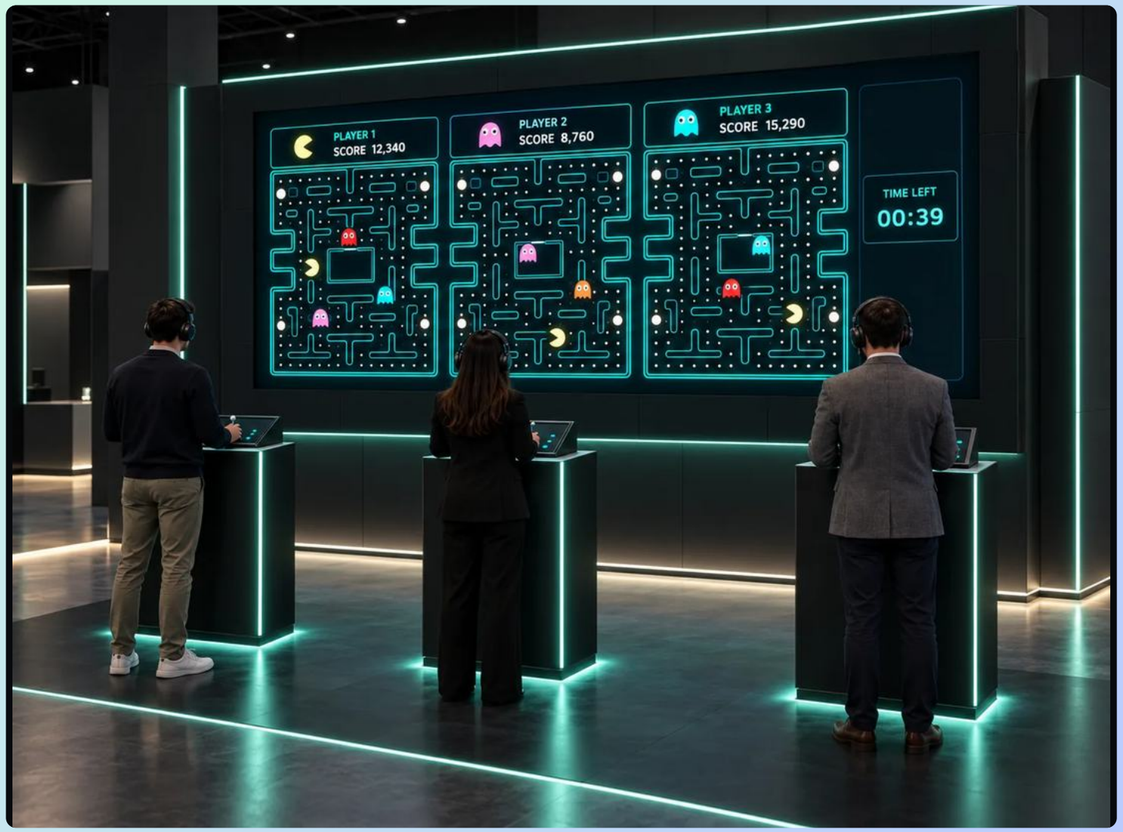

The classic snake game on a big screen or LED floor; steer by gesture or controller and grow by eating your products.

01 Screen or LED floor

02 Your skin, food and colours

Malls · Expos · Fun zones

WATCH VIDEO >

Pac Man

SMART GAMIFICATIONS · 14 / 18

# PAC MAN

## The maze chase.

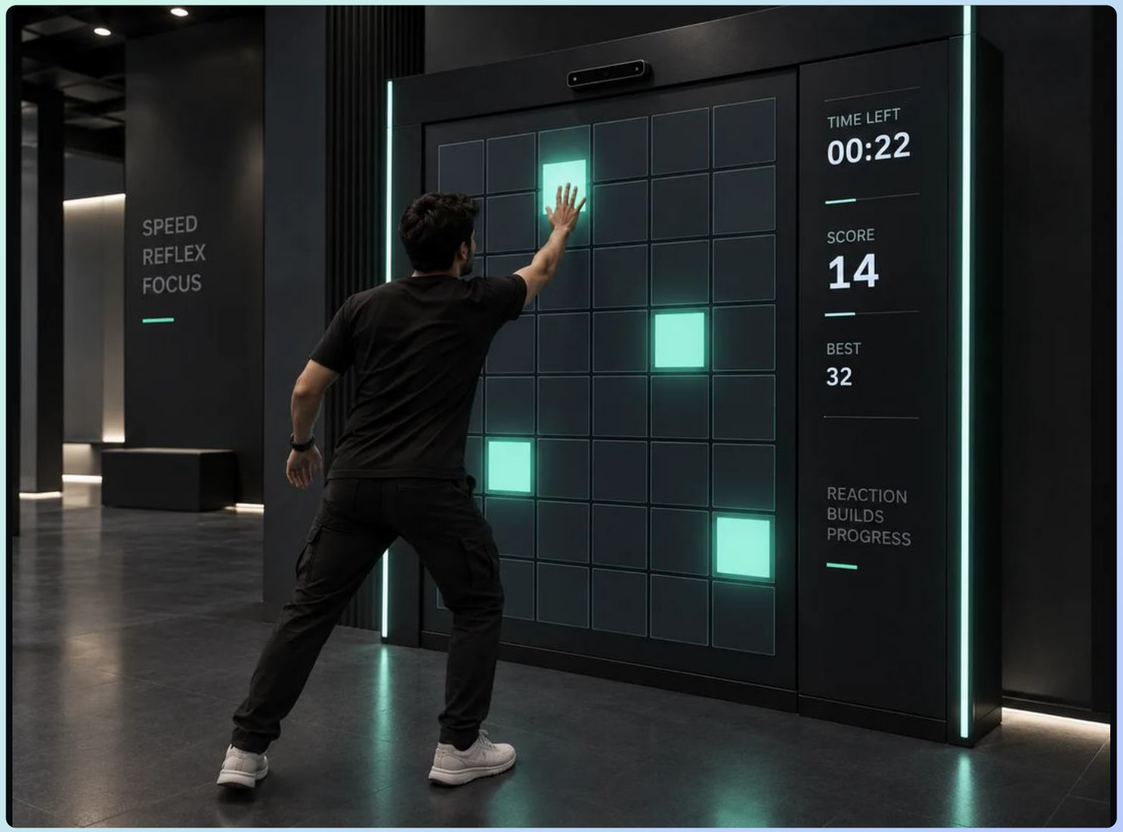

A maze-chase game in your branding, on screen or floor; steer by gesture, pad or controller.

01 Maze, characters and collectibles in your brand

02 Screen or LED floor

Malls · Expos · Fun zones

WATCH VIDEO >

Digital Batak

SMART GAMIFICATIONS · 15 / 18

# DIGITAL BATAK

## Reaction speed, scored.

A reaction board; lights flash at random and guests hit them as fast as they can, scored and ranked.

01 Duration and difficulty set per event

02 Leaderboard and prizes

Sports & fitness · Expos · Corporate fun zones · Malls

WATCH VIDEO >

Motion-Based Quiz

SMART GAMIFICATIONS · 16 / 18

# MOTION-BASED QUIZ

## Answer by moving.

A camera-tracked quiz on a big screen; guests answer by stepping into the zone for A, B, C or D.

01 Teams or individuals

02 Up to four answer zones

Conferences · Schools & colleges · Launches · Malls

WATCH VIDEO >

VR Games

SMART GAMIFICATIONS · 17 / 18

# VR GAMES

## A world built for you.

Custom VR games and stories, with headsets, tracking and real-time 3D.

01 Custom VR content for the PepsiCo dealer meet

02 Single or multi-headset, with a spectator screen

Launches · Expos · Dealer meets · Experience centres

WATCH VIDEO >

Bike Blender

SMART GAMIFICATIONS · 18 / 18

# BIKE BLENDER

## Pedal. Then drink it.

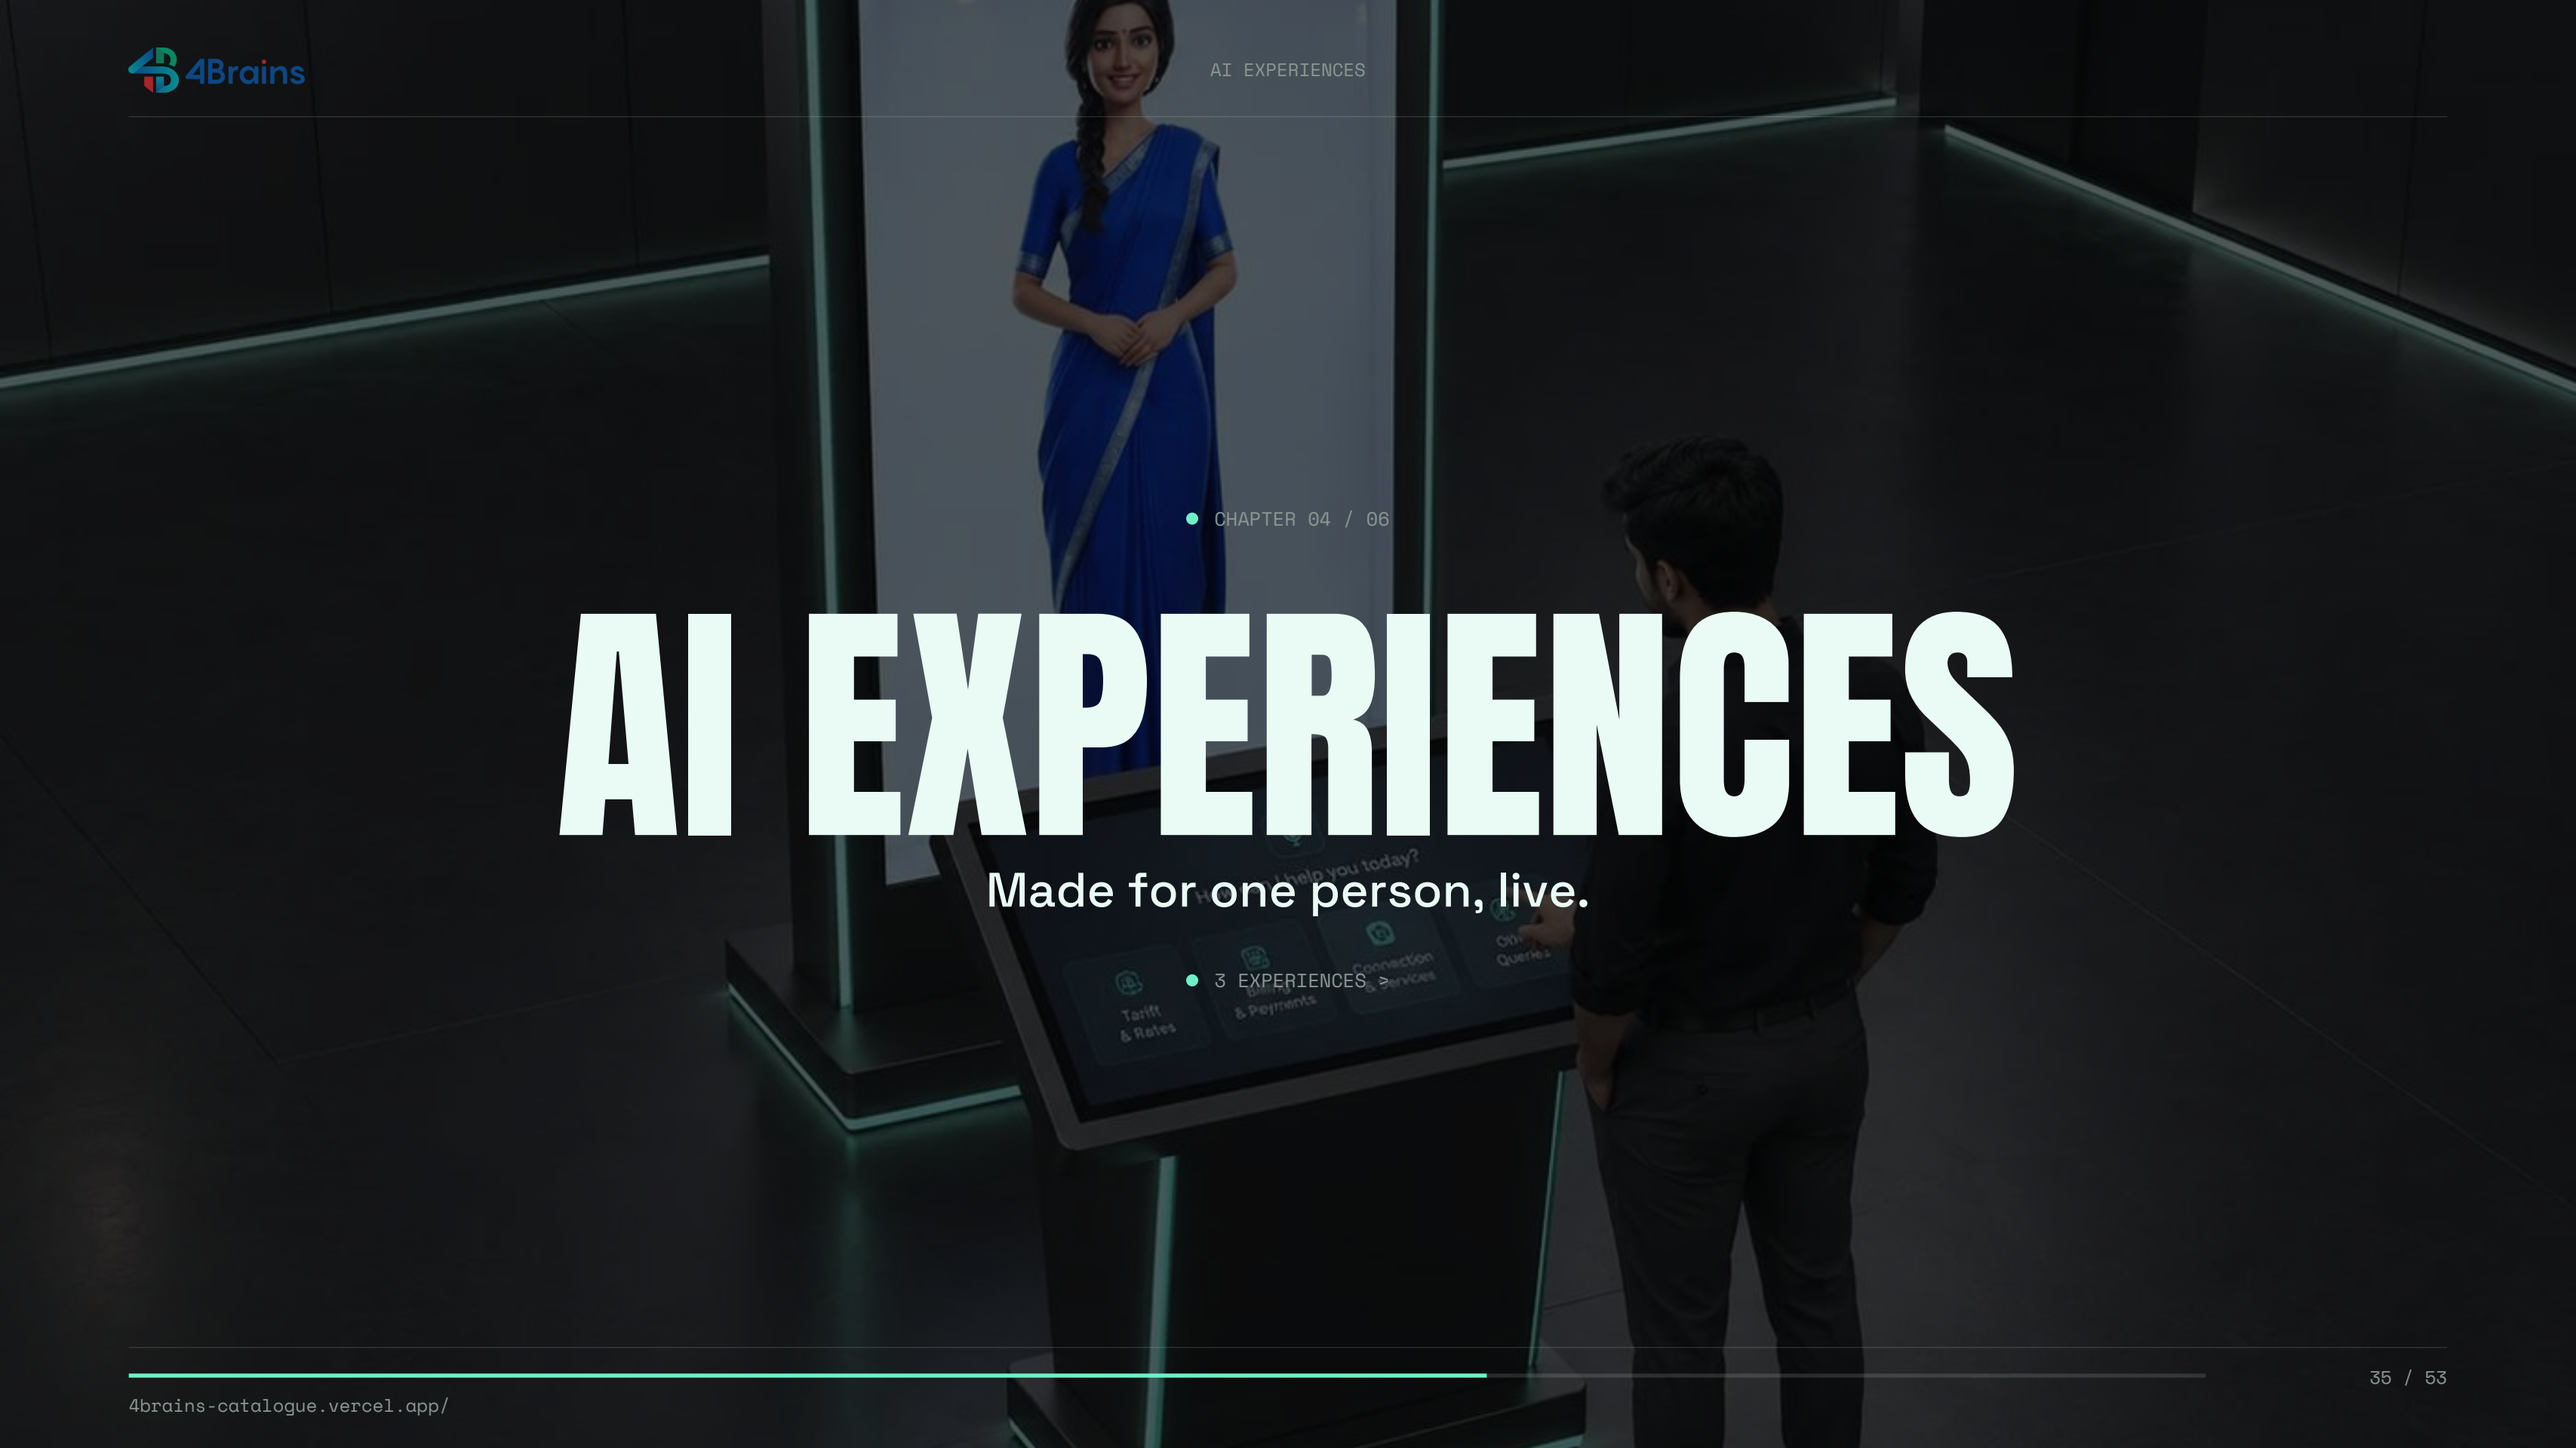

A bicycle wired to a blender; the guest pedals, the blender runs, the smoothie is served.

01 Ran as the Adobe bike-blending activation

02 Branding on the bike and the cups

Brand activations · Wellness & sustainability · Expos

WATCH VIDEO >

CHAPTER 04 / 06

# AI EXPERIENCES

Made for one person, live.

3 EXPERIENCES >

AI Humanoid

AI EXPERIENCES · 01 / 03

# AI HUMANOID

## A host that never tires of the question.

A humanoid host, on screen or as a figure, running conversational AI trained on your brand, agenda and products.

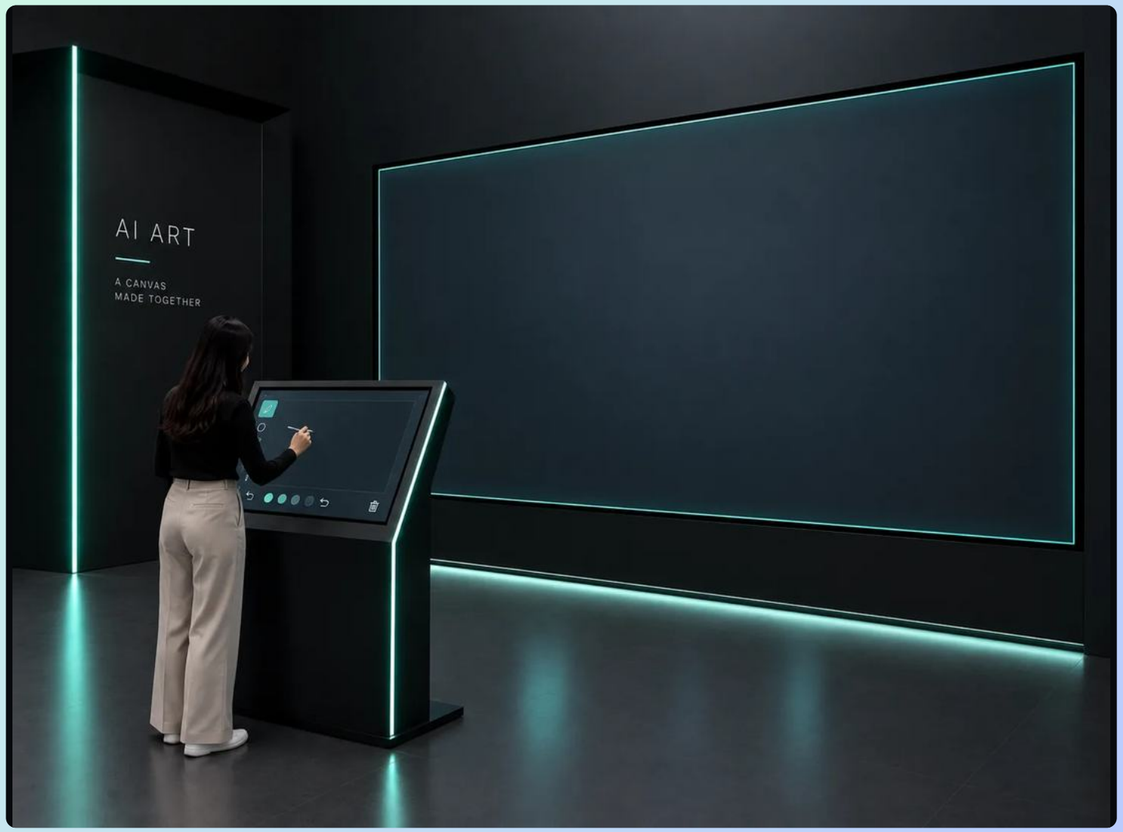

01 Trained on your products, FAQs and agenda

02 Languages of your choice

03 Questions logged

Conferences · Receptions & check-in · Exhibitions · Retail

WATCH VIDEO >

AI Art

AI EXPERIENCES · 02 / 03

# AI ART

## Everyone leaves a brushstroke.

Guests draw, type or pose; AI turns it into art on a shared projected canvas that grows through the event.

01 Style and palette in your brand

02 Prints or downloads for each guest

Family & community events · Conferences · Launches · Malls

WATCH VIDEO >

AI Mixology

AI EXPERIENCES · 03 / 03

# AI MIXOLOGY

## A drink built from your answers.

Guests answer a few questions; AI composes a drink, names it, and the bar serves it with the name on a card.

01 Alcoholic or not

02 Branded cards and labels

Launches · Hospitality & dealer meets · Galas · Brand lounges

WATCH VIDEO >

CHAPTER 05 / 06

# DIGITAL PORTRAITS

They leave with themselves.

3 EXPERIENCES >

Live AI Sticker

DIGITAL PORTRAITS · 01 / 03

# LIVE AI STICKER

## Your face. A sticker.

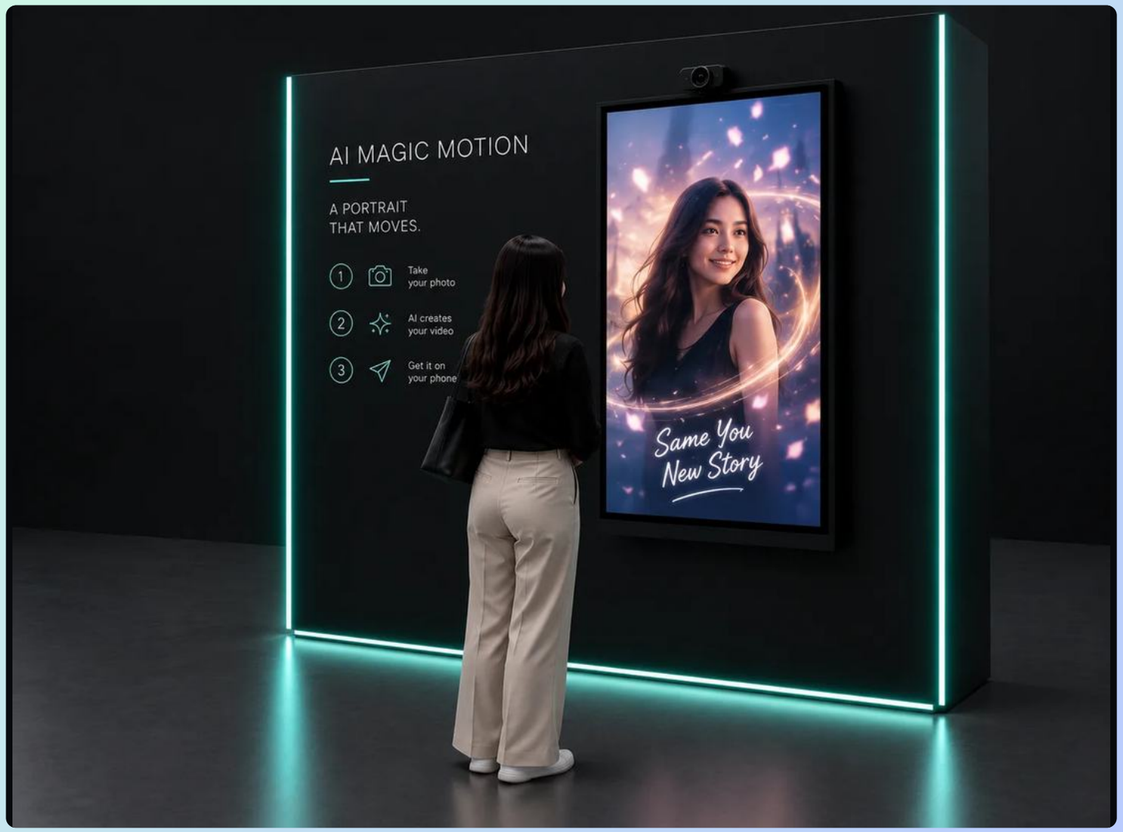

A photo becomes an AI-styled caricature sticker, printed on the spot.

01 Styles and sheet branding yours

02 Printed on the spot, digital copy to the phone

Conferences · Launches · Malls · Festivals

WATCH VIDEO >

AI Magic Motion

DIGITAL PORTRAITS · 02 / 03

# AI MAGIC MOTION

## A portrait that moves.

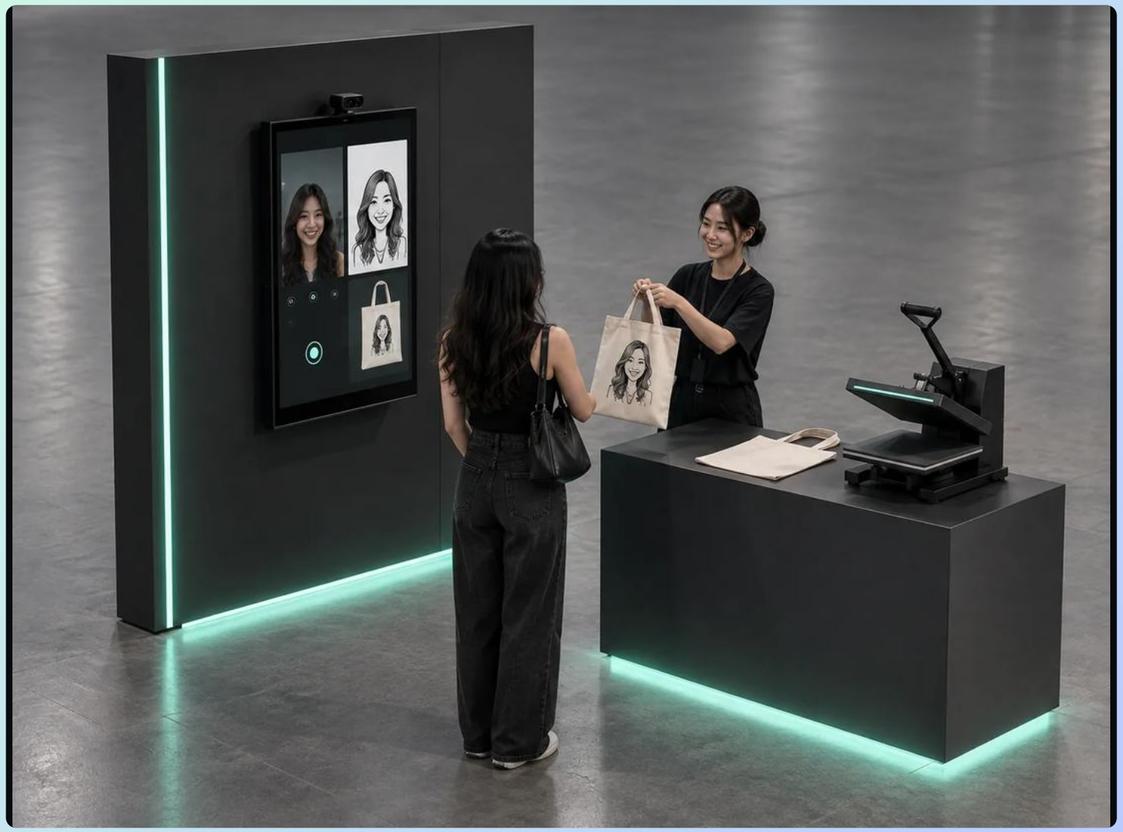

A guest's photo becomes a short AI-animated clip, sent to their phone.

01 Scenes and styles in your brand

02 Delivered by QR, WhatsApp or email

Galas · Launches · Conferences · Retail

WATCH VIDEO >

Live Caricature Tote Bags

DIGITAL PORTRAITS · 03 / 03

# LIVE CARICATURE TOTE BAGS

## Your face, on a bag.

A live caricature, drawn or AI-generated, printed on a tote bag while the guest waits.

01 Drawn or AI

02 Bag and print area yours

Conferences · Expos · Launches · Festive gifting

WATCH VIDEO >

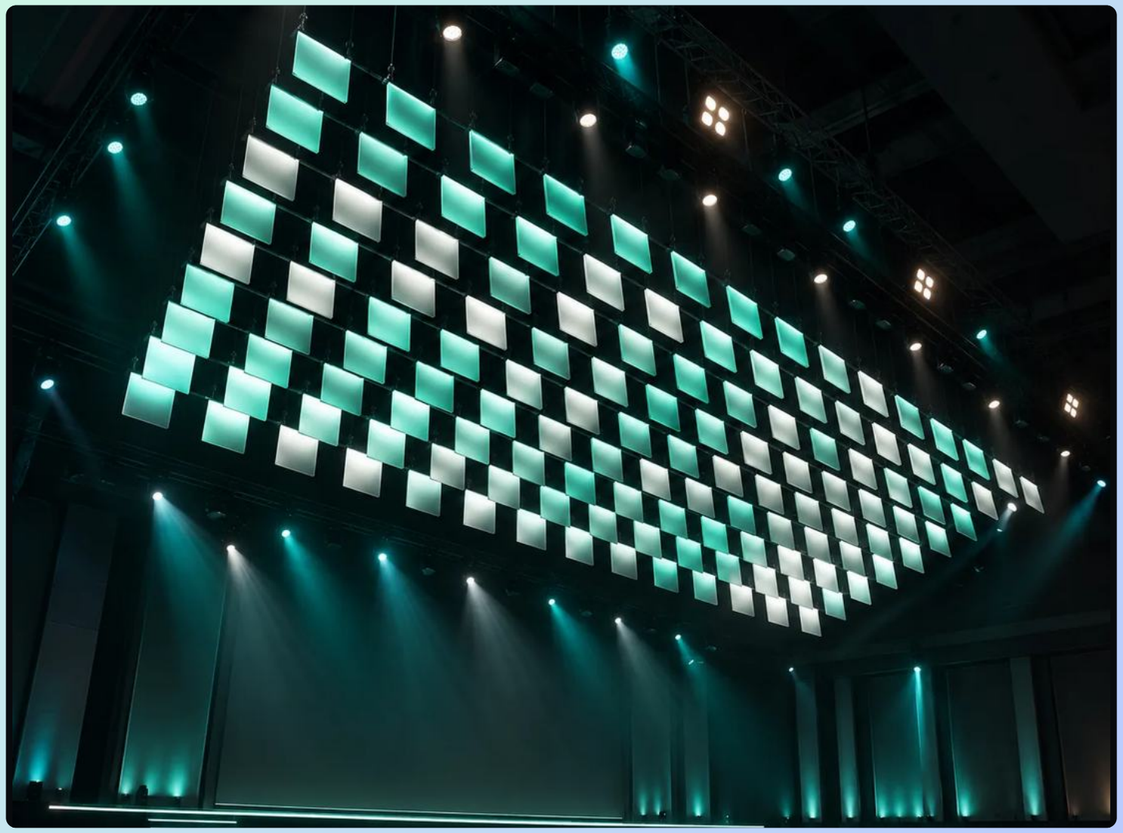

CHAPTER 06 / 06

# SIGNATURE INSTALLATIONS

Stages that move.

7 EXPERIENCES >

Verve Tiles

SIGNATURE INSTALLATIONS · 01 / 07

# VERVE TILES

## The ceiling moves with the music.

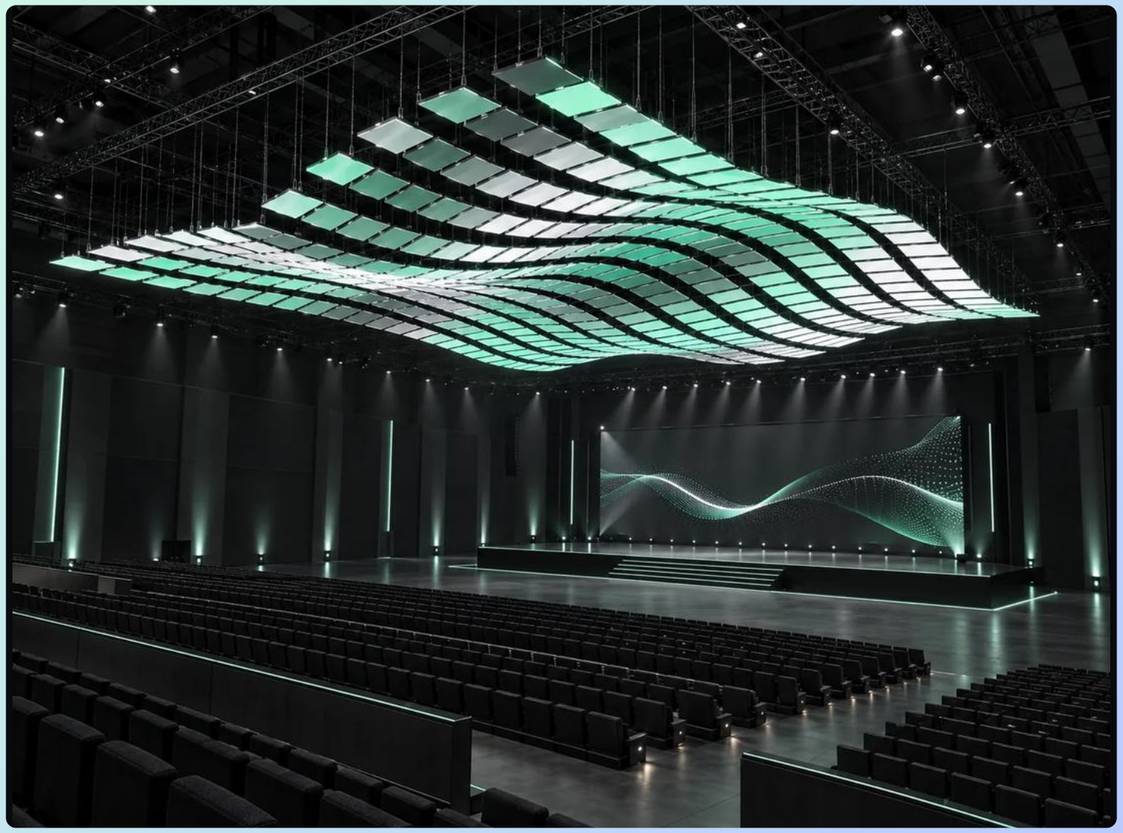

A field of motorised tiles overhead rises, tilts and lights on cue with the show.

01 First of its kind in India, per our deck

02 Designed, fabricated and run by our own crew

Product launches · Conferences · Award stages · Music-driven events

WATCH VIDEO >

Aero-Matrix

SIGNATURE INSTALLATIONS · 02 / 07

# AERO-MATRIX

## The ceiling is the second stage.

LED slabs on motorised rigging form a canopy above the audience and move into new shapes while video plays across them.

01 Content plays across the slabs as one surface

02 Movements cued to your run of show

Stage shows · Award nights · Keynotes · Launch events

WATCH VIDEO >

Nexus Pillars

SIGNATURE INSTALLATIONS · 03 / 07

# NEXUS PILLARS

## A set that changes for every winner.

Eleven-foot LED pillars, double-sided, turn in sync to show a new face and new content for each award.

01 11 ft pillars, LED on both faces

02 Rotation and content in sync

03 Seen on the Infosys Prize stage

Award shows · Brand stages · Immersive event environments

WATCH VIDEO >

Spectra

SIGNATURE INSTALLATIONS · 04 / 07

# SPECTRA

## Light that answers the room.

Thousands of addressable LED points, programmed as a light sculpture that reacts to sound and movement.

01 Addressable LED arrays with our own controller firmware

02 Reacts to sound and movement

03 Scales from one sculpture to a whole venue

Stages · Atriums & architectural surfaces · Festivals · Installations

WATCH VIDEO >

Gyroscope

SIGNATURE INSTALLATIONS · 05 / 07

# GYROSCOPE

## Rings in motion, content on every surface.

LED-covered rings, one inside the other, rotate on multiple axes while content plays across them.

01 Programmable speed and direction

02 Content in the event’s colours and graphics

Open-floor brand zones · Sports & fan events · Product launches · Award stages

Sphere X

SIGNATURE INSTALLATIONS · 06 / 07

# SPHERE X

## The centre of the hall, turning.

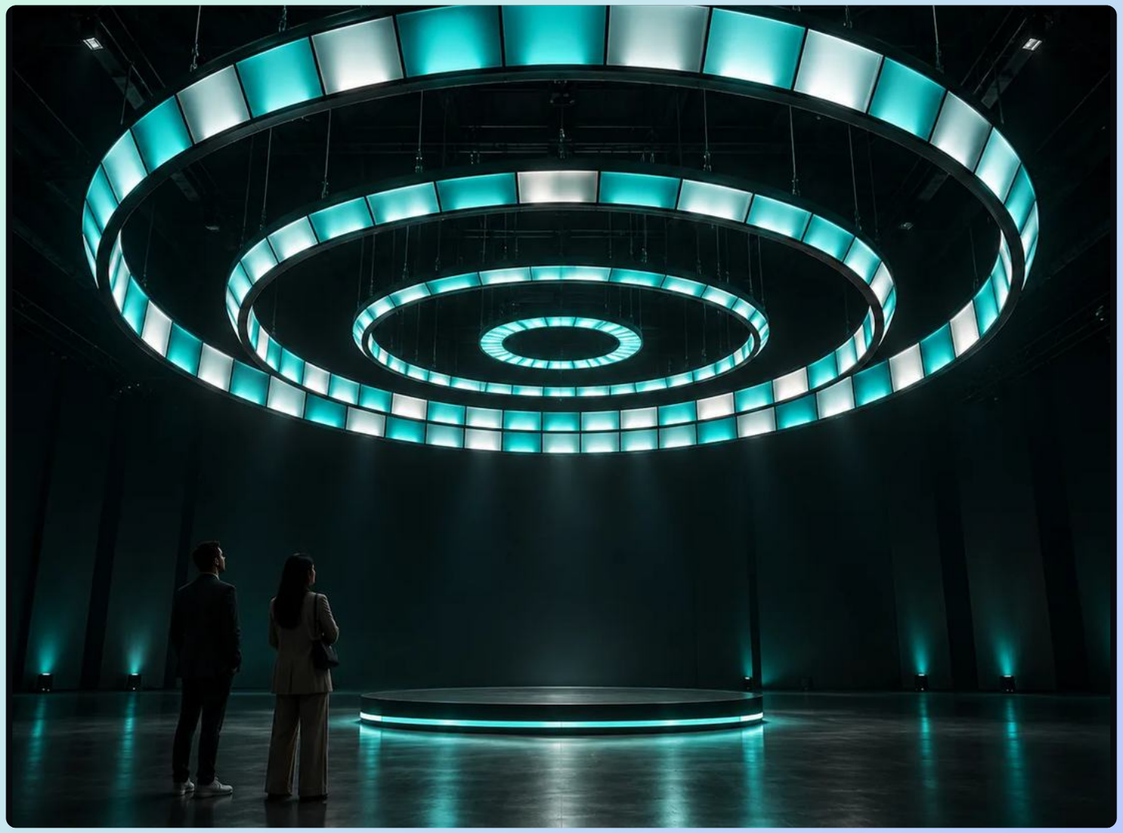

A sphere-shaped kinetic LED display, suspended or on a plinth, with light patterns in sync with its rotation.

01 Programmed stories: partner countries, sectors, launches

02 Set-piece shows at key moments

03 Optional tablet to pick the next story

Expos & trade shows · Summits · Launches · Atriums

Bulls Eye

SIGNATURE INSTALLATIONS · 07 / 07

# BULLS EYE

## Every eye on the centre.

Concentric rings of LED light overhead pulse, chase and converge on the centre of the space below.

01 Rings, colours and sequences cued to the show

02 Over a stage, a plinth or a meeting point

Product launches · Award stages · Brand showcases · Retail

HOW WE WORK

# BRIEF TO SHOW DAY, WITHOUT THE HAND-OFFS.

01
## BRIEF
Tell us the audience, the room and the date.

02
## IDEA
We come back with the experiences shaped to it, from the catalogue or from scratch.

03
## BUILD
Hardware, software and content, made in-house in half the time most would quote.

04
## TEST
Every build runs end to end at our Bengaluru centre before it ships.

05
## SHOW
Our own crew installs it, runs it and strikes it, load-in to last cue.
